

Black & White

Super Automatic Espresso

Exceptional milk foam and espresso shot quality

bunn.com/espresso

MEET THE BLACK & WHITE FAMILY

Black & White espresso equipment is the foundation of your profitable espresso program. Easily customize cafe favorites with a large, intuitive touch screen interface. Picture-prompted steps guide operators through daily and periodic cleaning. Whether it's convenience, food service, hospitality, or office coffee, BUNN has the right solution for your business.

Black & White's expansive assortment can satisfy low to high volume applications. Benefits include exceptional espresso, high quality hot or cold milk foam, and steam wand models for hand-crafted beverages. Your BUNN representative will help you find the perfect fit.

VERSATILE

Choose from hundreds of default beverages or customize your own specialty menu.

CONSISTENT

Exceed customer expectations by serving delicious espresso in every recipe, every time.

INSIGHTFUL

Thermoplan Connect allows operators to identify trends, evaluate beverage offerings, monitor equipment condition, and remotely update software and recipes.

MODULAR

Reduce downtime with easily removable parts and simple maintenance. Fast module change-out improves repair time and first time fix rate.

MEDIUM CAPACITY ONE-STEP SUPER AUTOMATIC ESPRESSO

Black & White 4 Compact

Designed for 180 espressos per hour

BW4c CTM P-RS

BW4c CTM P-F-RS

Favorite Specialty Beverages at Your Fingertips

Expand beyond lattes and cappuccinos with profitable specialty beverages to indulge your customers.

Two 2.2lb (1kg) bean hoppers and optional 4.4lb chocolate powder hopper offers hot chocolate and mochas. A convenient 1 gallon (4L) integrated refrigerator provides long periods of consistent operation expertly crafting your beverages.

BW4c CTM P-F-RS additionally holds up to four syrup flavors to effortlessly create café favorites, such as flavored lattes and seasonal beverage offerings.

HIGH CAPACITY ONE-STEP SUPER AUTOMATIC ESPRESSO

Black & White 4

Designed for 240+ espressos per hour

BW4 CTM-RL

BW4 CTM-P-RL

BW4 CTM P-F-RL

Capacity to Outlast Your Morning Rush

Serve more beverages with increased capacity. An optional 4.4lb chocolate powder hopper offers hot chocolate and mochas. Two 3.7lb (1.67kg) bean hoppers and a 2.6 gallon (10L) milk refrigerator provides long periods of consistent operation expertly crafting your beverages.

BW4 CTM P-F-RL additionally holds up to four syrup flavors to effortlessly create café favorites, such as flavored lattes and seasonal beverage offerings.

HIGH CAPACITY TWO-STEP SUPER AUTOMATIC ESPRESSO

Black & White 4

Designed for 240+ espressos per hour

BW4 CTS

BW4 CTM PLUS

Expertly Hand-Crafted Beverages

Baristas and untrained staff alike can now produce perfect milk foam and serve excellent milk-based beverages with Black and White 4 CTS and CTM Plus.

Both models offer two large 3.3lb (1.5kg) bean hoppers to meet high-demand specialty coffee beverages while sensors provide the ideal milk temperature for repeat accuracy and consistency. Versatility to use dairy or alternative milks allow operators to expand their menu and cater to varying consumer preferences.
